LUTHER SOUTH WINNERS OF 1979-80 STATE CLASS "A" BASKETBALL CHAMPIONSHIP.

Honorable Jane M. Byrne, Mayor, on behalf of herself and all the Members of the City Council presented the following proposed resolution:

WHEREAS, The Chicago Luther South Braves are the Class A basketball champions of Illinois; and

WHEREAS, The title was won by the Braves, coached by Cliff Doll, in a thrilling contest at Champaign on March 15, when the Luther school cagers defeated Peoria Bergan by a score of 56-61; and

WHEREAS, The Braves, who defeated last year's defending champions three times to win their way to the Elite Eight competition, were losing the title game in the fourth quarter when Coach Doll changed strategy; and

WHEREAS, Bob Gray, Tony Martin and Pierre Cooper combined to form the Braves' "Iron Curtain"; and

WHEREAS, Team's defensive style of playing is how the Braves got to Assembly Hall and that is how they won the state championship; and

WHEREAS, What furthermore assured Luther South's victory was some good free-throw shooting. For a team that made only 62 per cent of its shots from the line during the season, they changed to a squad that made 22 of 31 in the last four quarters; now, therefore

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago, in meeting assembled this 20th day of March, A.D., 1980, do hereby express their congratulations to Coach Cliff Doll and the Luther South Braves on winning the Class A basketball championship of Illinois and with them continued success in their endeavors; and

Be It Further Resolved, That a suitable copy of this Resolution be presented to Cliff Doll and the Braves.

Alderman Kellam moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

WHEREAS, North Park College Vikings basketball team won its third straight NCAA Division III national championship at Rock Island on March 15; and

WHEREAS, The title went to the Chicago North Side School with an 83-78 victory over Upsala, New Jersey College; and

WHEREAS, The Vikings, coached by Dan McCarrell, became the second team in NCAA history to win three consecutive national titles, the other being UCLA; and

WHEREAS, While its supremacy in the Division III competition has been to some extent overshadowed in the basketball collegiate world by the exploits of bigger scholastic institutions, North Park College has justifiably long been recognized for athletic excellence by fans locally and throughout the nation; and

WHEREAS, The Vikings have been at all times gracious winners, and the individuals have been noted for their spirit of team play; and

WHEREAS, The North Park College Vikings bring to Chicago prestige much sought by athletic aggregations and their followers; and

WHEREAS, Coach McCarrell and his North Park Vikings have, by their skills and perseverance, brought great pleasure and enjoyment to the citizens of the City of Chicago and true basketball fans across the nation; and

WHEREAS, The City of Chicago is proud to have Coach McCarrell and the North Park team representing this city to people across the nation; now, therefore,

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago, in meeting assembled this 20th day of March, A.D., 1980, do hereby express their congratulations to Coach Dan McCarrell and the North Park Vikings on winning their third straight NCAA Division III national championship; and

Be It Further Resolved, That a suitable copy of this Resolution be presented to Dan McCarrell and the Vikings.

Within thirty (30) days after receipt of such commitment, PBKA shall notify the City of any exceptions to title which PBKA desires to remain unaffected by any eminent domain proceeding, and the City shall cause such exception to remain.

2.6 The Premises consists of five (5) parcels of real estate, and it is the intent of the parties hereto that all of such parcels be ultimately conveyed to PBKA. In the event that contracts for the purchase of all of the five parcels comprising the Premises are not executed or in the event that the requisite escrows are not established within the time required by Section 2.4 hereof, or in the event eminent domain proceedings have not been commenced as required by virtue of Section 2.5 hereof, PBKA may, at its option, cancel and terminate this Agreement upon notice to the City and concurrently upon such notice, this Agreement shall be deemed null and void. In the event PBKA does not terminate this Agreement pursuant to this Section 2.6, this Agreement shall remain effective with respect to the parcels of the Premises which are purchased by the City and conveyed to PBKA.

In connection with the foregoing, PBKA may employ any such firms or personnel to aid in the marketing of the Premises and the Spec Building including such firms or personnel which may have an interest, either direct or indirect, in PBKA or in any partnership which is a partner of PBKA. 3.7 PBKA agrees that upon taking possession of the Premises in accordance with Article II hereof, it shall grant to the City a right of entry to the Premises as necessary to permit the City to perform its obligations under Section 4.2 hereof and shall dedicate, free of cost to the City such portions of the Premises as are necessary for the installation of the streets described in Subsection 4.2(e) hereof. The City hereby agrees to hold PBKA harmless from and against all liability arising due to any construction required to be performed by the City pursuant to Section 4.2 hereof.

The City shall have completed all necessary work required to be performed pursuant to paragraphs (a), (b) and (c) of this Section 4.2 prior to September 30, 1980. The City shall complete all work required to be performed by paragraphs (d), (e) and (f) of this Section 4.2 prior to .... 4.3 The City shall comply with all provisions of the EDA Grant and the UDAG Grant. All requirements of such grants, which are preconditions to funding thereunder, shall have been timely and satisfactorily complied with by the City so as to allow for funding of all sums of money provided for in such grants on or before March 15, 1980. Nothing contained in the EDA Grant or the UDAG Grant shall place any requirement, obligation, duty, restriction or limitation upon PBKA, its partners or agents unless such requirement, obligation, duty, restriction or condition is specifically set forth herein.

4.4 The Premises are currently zoned M3-4 under Chapter 194A of the Municipal Code by the City of Chicago. The City hereby agrees that it will not modify, change or amend the aforesaid ordinance to provide for any zone classification more restrictive than the present zoning classification without the consent of PBKA during the time this Agreement is in effect.

4.5 The performance by the City of all of the provisions of this Article IV shall be a condition precedent to any obligation of PBKA under this Agreement except for the obligation of PBKA under Section 3.1 hereof.

4.6 In the event of a default by the City in the performance and diligent prosecution of the work described in Section 4.2 hereof, PBKA may, at its option (but shall be under no such obligation), complete any portion of or all of such work, and the City shall reimburse PBKA, within ..... days after written demand therefor, a sum equal to the sums expended by PBKA in connection with the completion of any such portion of work described in Section 4.2 hereof said sums not to exceed the amounts allocated for each activity set forth in Exhibit "D" of the UDAG agreement which is incorporated herein by this reference. The City shall be deemed not to be diligently pursing the completion of the above described work in the event of any abandonment or discontinuance of the construction required by Section 4.2 hereof for a period of twenty (20) days, or any other unreasonable delay in construction or abandonment thereof by the City, except where such discontinuance is caused by strikes, labor disputes, inclemency of weather, floods, civil commotion, riots or unavailability of materials which the City is diligently proceeding to correct.

PBKA may invoke the provisions of this section at any time that the City is in default in the prosecution of the work required to be completed pursuant to Section 4.2 hereof; provided, however, that PBKA shall first give the City written notice to cure such defects within five (5) business days of receipt of said notice. And if the City does, in fact, commence to cure same as herein required within said five-day period, and thereafter diligently pursues a program to cure said defaults, PBKA agrees to abstain from enforcing the rights and remedies reserved to it under this section. Absent such cure by the City, PBKA may pursue the remedies provided in this section or elsewhere in this Agreement at the expense of the City.

Article V

Restrictions

5.1 It is intended and agreed, and any deed to that portion of the Premises described in Section 3.2 hereof shall so expressly provide, that the obligation of PBKA hereunder to construct the Spec Building in accordance herewith and within the time periods set forth herein shall be a covenant running with the land, binding for the benefit of the community and the City of Chicago and enforceable by the City of Chicago against PBKA and its successors and assigns against the Premises or any part thereof or interest therein.

Promptly upon the completion of construction of the Spec Building in accordance with this Agreement, the City shall furnish PBKA with an appropriate instrument so certifying said completion, which Certificate shall be a conclusive evidence of satisfaction of all the obligations and covenants to construct the Spec Building in accordance with the terms hereof and with the aforesaid deed. Said Certificate shall be prepared and executed in recordable form so as to terminate the above required deed restriction.

In the event the City shall refuse or fail to provide the Certificate within fifteen (15) days after written request therefor by PBKA, the City shall provide PBKA with a written statement indicating the items necessary to be accomplished by PBKA to complete construction of the Spec Building in conformity with this Agreement. Upon completion of such items, the City shall issue the above described Certificate.

PBKA agrees that prior to the issuance of the Certificate described above, it will not, without the prior written consent of the City, make, create or suffer to be made any sale, assignment, conveyance or transfer of its interest in the Spec Premises except as may be required for the purpose of borrowing funds and/or by way of security for or incident to any agreement for such borrowing deemed necessary by PBKA to provide funds for the acquisition of said portion of the Premises and the development of the Spec Building thereon.

5.2 PBKA agrees for itself, and its successors and assigns, and every successor in interest to the Premises, or any part thereof, that it and its successors and assigns shall:

(a) devote the Premises solely for commercial, warehouse, industrial or manufacturing uses; and

(b) not to discriminate upon the basis of race, color, religion, sex or national origin in the sale, lease or rental or in the use or occupancy of the Premises or any improvement located or to be erected thereon or any part thereof.

PBKA hereby agrees that any deed conveying any portion of the Premises from PBKA or its nominee expressly provides that the covenants set forth in this Section 5.2 are covenants running with the land, binding for the benefit of the community and the City of Chicago and enforceable by the City of Chicago against PBKA and the successors in interest and assigns of PBKA to or of the Premises or any part thereof or interest therein. Said covenants shall remain in effect for a period of thirteen (13) years from the date of this Agreement, at which time same shall automatically cease and terminate and be of no further force and effect.

5.3 Commencing upon the date hereof and continuing for a period of ten (10) years terminating on January .., 1990, PBKA shall be restricted from earning a return on capital invested in excess of twelve (12%) percent per annum calculated cumulatively from the date that any funds of PBKA are advanced or committed to be advanced for the benefit of the Project. Such calculation shall be made from time to time as additional funds are advanced or committed to be advanced by or on behalf of PBKA for the benefit of the Project. Such calculation shall permit PBKA and its partners a cumulative return derived from the Net Income of the Premises on all Capital Invested from the date of investment thereof equal to twelve (12%) percent per annum. The term "Capital Invested" when used in this section shall be defined to mean all funds advanced or committed to be advanced or borrowed by PBKA or by any of its partners excluding, however, such borrowings as are without recourse against PBKA or its partners, and are expended by or for the benefit of PBKA relating

to the development, operation, financing, maintenance or leasing of the Project, including, but not limited to, funds expended for the purchase of the Premises, repayment of any loans (including both principal and interest payments) obtained by PBKA with respect to the Premises, financing fees, prepayment penalties, the construction of improvements thereon, payment for architectural, engineering, accounting, consultation and legal services as well as fees and commission of any real estate broker in connection with the sale, lease or development of any portion of the Premises or any improvements thereon. The term "Net Income of the Premises" when used in this section shall be defined to mean all income derived by PBKA from the sale or lease of the Premises or any portion thereof, decreased by all costs of any nature expended by PBKA with respect to the acquisition, development, sale or leasing of the Premises, including, but not limited to, costs of construction, fees of counsel, accountants, architects, engineers or other consultants or advisors employed by PBKA, all financing costs including repayment of principal and interest under any loan made with respect to the Premises, fees paid to any real estate broker or brokerage firm in connection with the sale, lease, management or development of the Premises, and all taxes levied and assessed against the Premises including taxes on the income derived therefrom in the event of the enactment after this date of any law imposing a tax upon the income derived from real and personal property in lieu of taxes currently imposed on the valuation thereof as well as such reasonable reserves as are maintained for the maintenance and repair of the Premises and the improvements thereon.

PBKA hereby agrees that all funds received in excess of the above permitted return on capital shall be segregated and deposited in an account established by PBKA at such banking institution located within the City of Chicago as is chosen by PBKA and approved by the City, which approval shall not be unreasonably withheld. Such sums may be invested at the direction of PBKA in certificates of deposit of said banking institution, United States Government treasury bills, passbook accounts of such banking institution or such other similar investments. The funds so deposited may be withdrawn by PBKA (a) to supplement its capital return from the Project in any year in which its cumulative return falls below the aforesaid permitted return; (b) to be invested by PBKA or its partners in any similar redevelopment project located in the City of Chicago; or (c) to be contributed by PBKA or its partners to any organization or entity described in Section 170(b) of the Internal Revenue Code of 1954, as amended. Any sums remaining on account at the end of the aforesaid ten-year period and not distributed pursuant to the foregoing sentence shall be distributed to the City.

Commencing upon the transfer of any portion of the Premises to PBKA, and for so long as the restriction contained in this Section 5.2 is in effect, PBKA shall deliver to the City annually, within one hundred twenty (120) days of the end of the fiscal year of PBKA, a copy of its annual audited statement prepared by a certified public accountant showing all income and expenses of PBKA with respect to the Premises.

5.4 Notwithstanding any of the provisions of this Agreement or of any restriction contained in any deed of any portion of the Premises to the contrary, including, but not limited to, any provision intended to make any obligation hereunder a covenant running with the land, the holder of any mortgage encumbering any portion of the Premises or any entity or individual which obtains title to any portion of the Premises as a result of foreclosure proceedings, or action in lieu thereof, and including any party who thereafter obtains title to any portion of the Premises from or through such holder or through foreclosure sale shall not be obligated by any provision of this Agreement or of any restriction contained on any deed of any portion of the Premises to construct or complete the construction of the Spec Building or to guarantee such construction or completion, nor shall any provision of this Agreement or of any such deed be construed to so obligate such party; provided, however, that nothing in this section or any other provision of this Agreement shall be deemed or construed to permit or authorize any such party to devote any portion of the Premises to any uses, or to construct any improvements thereon, other than those uses or improvements provided or permitted in this Agreement.

Article VI

Grant Agreements

6.1 The City hereby represents and warrants to PBKA that:

(a) The City is now, and will at all times, continue to be in full and faithful compliance with all of the covenants on its part to be performed and all of the conditions, terms, and provisions of the EDA Grant and the UDAG Grant.

(b) All Environmental Requirements and Environmental Conditions (as such capitalized terms are defined in the UDAG Grant) have been met and complied with in full by the City.

(c) The City has submitted to the Secretary (as such capitalized term is defined in the UDAG Grant) and the Secretary has approved and accepted all environmental certifications and requests for release of funds and has issued all required written environmental releases of funds, as described in Sections 4.01(c) and 8.02 of the UDAG Grant.

(d) All of the representations and warranties made by the City in Section 5.01 of the UDAG Grant are now, and will at all times, continue to be true and correct.

(e) All of the requirements imposed upon the City by the UDAG Grant and the EDA Grant capable of compliance as of the date hereof have been fully and satisfactorily complied with by the City.

6.2 The City shall immediately give written notice to PBKA of any default under or breach of the UDAG Grant and/or the EDA Grant on the part of any party thereto and shall deliver to PBKA, immediately upon request, a copy of any notice of any such default or breach given or received by the City.

6.3 In the event of any such default under or breach of the UDAG Grant and/or the EDA Grant whether or not the City has given PBKA notice thereof as required herein, PBKA may, at its option, but shall be under no obligation whatsoever to cure any such default or breach.

6.4 The City hereby indemnifies and agrees to hold PBKA and its partners harmless from and against any and all liability arising under or through the UDAG Grant and the EDA Grant; it being understood and agreed by and between the parties hereto that the City shall be solely responsible for the performance of any and all obligations created or imposed by virtue of the UDAG Grant and the EDA Grant. Nothing contained in this Agreement shall be deemed to obligate or impose any liability upon PBKA or its partners to perform, or cause to be performed, any obligation, requirement, condition, covenant or responsibility arising out of, under or through the UDAG Grant or the EDA Grant.

6.5 PBKA acknowledges that the Secretary of the United States Department of Housing and Urban Development in selecting the City of Chicago as the recipient of the UDAG Grant, relied in material part upon PBKA's assured completion of the activities to be undertaken by PBKA in accordance with the Redevelopment Plan described in

Article III of this Agreement. PBKA hereby assures the City of Chicago that such activities will be completed by PBKA.

6.6 PBKA shall keep and maintain books, records and other documents relating to the activities to be performed by it under Article III of this Agreement, to which any duly authorized representative of the Secretary or Comptroller General of the United States shall, at all reasonable times, have access to and the right to inspect copy, audit and examine all such books, records and other documents until the completion of all grant close-out procedures. PBKA agrees that any duly authorized representative of the Secretary of the United States Department of Housing and Urban Development shall, at all reasonable times and upon prior notice, have access to any portion of the Premises to which PBKA has access, until the completion of all grant close-out procedures.

6.7 PBKA consents that no expenditure of grant funds by the City of Chicago pursuant to the UDAG Grant and this Agreement shall be deemed an assignment of grant funds to PBKA. PBKA shall not succeed to any right, benefit or advantage of the City of Chicago under the UDAG Grant between the City of Chicago and the Secretary of the United States Department of Housing and Urban Development, nor attain any right, privilege, authority or interest in or under the UDAG Grant.

6.8 This Agreement shall not be amended in any material respect after its approval and acceptance without the prior written approval of the Secretary of the United States Department of Housing and Urban Development. An amendment shall be deemed "material" if it cancels or reduces any development, construction, job-creating or financial obligation of PBKA by more than ten (10%) percent, or if it changes the situs or character of any development activity, or if it lengthens the time for performance by PBKA by more than ten (10%) percent; provided, however, that an additional time for performance of thirty (30) days or less shall not be deemed "material".

6.9 Nothing in this Agreement or in the UDAG Grant, nor any act of the Secretary of the United States Department of Housing and Urban Development, or of the City of Chicago or of PBKA shall be deemed or construed by any of the parties or by third parties to create any relationship of third-party beneficiary, or of principal and agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving said Secretary.

Article VII

Default

7.1 The City shall be deemed in default under this Agreement in the event:

(a) the City shall fail to keep and perform any other covenant or condition herein contained on the City's part to be kept and performed, and such failure shall continue for thirty (30) days after written notice thereof from PBKA to the City; or

(b) any representation or warranty made herein by the City or any official representative thereof made in writing in connection with this Agreement, shall prove to be, or to have been, false in any material respect, either when made or subsequently, and such representation or warranty is not corrected or made good within thirty (30) days after written notice thereof shall have been given to the City; or

(c) The City fails to comply with any requirement relative to the EDA Grant or the UDAG Grant within thirty (30) days after notice in writing of such requirement shall have been given to the City.

7.2 In the event of a default by the City pursuant to Section 7.1 hereof occurring prior to the conveyance of any portion of the Premises to PBKA, PBKA may, by notice to the City, cancel and terminate this Agreement, in which event all funds previously deposited by PBKA pursuant to Article II hereof shall be immediately refunded to PBKA along with all interest earned thereon and this Agreement shall be deemed terminated and of no further force and effect. In the event of such default by the City subsequent to the conveyance of the Premises to PBKA, PBKA may cancel and terminate this Agreement, provided such cancellation and termination shall not terminate any other rights granted to PBKA in the event of default as specifically set forth herein. Upon such cancellation and termination due to a default of the City subsequent to the conveyance of the Premises to PBKA, all restrictions set forth in Article V hereof shall be deemed immediately void and shall cease and determine concurrently with the cancellation of this Agreement.

7.3 PBKA shall be deemed in default under this Agreement in the event:

(a) PBKA shall fail to keep and perform any other covenant or condition herein contained on PBKA's part to be kept and performed, and such failure shall continue for thirty (30) days after written notice thereof from the City to PBKA; or

(b) Any representation or warranty made herein by PBKA or a partner of PBKA made in writing in connection with this Agreement shall prove to be, or to have been, false in any material respect, either when made or subsequently, and such representation or warranty is not corrected or made good within thirty (30) days after written notice thereof shall have been given to PBKA; or

(c) PBKA or any partner of PBKA hereunder makes an assignment for the benefit of creditors; or petitions or applies to any tribunal for the appointment of a trustee or receiver for itself or himself or for any substantial part of its or his assets; or commences any proceedings under any bankruptcy, arrangement, insolvency, readjustment of debt or statute of any jurisdiction, whether now or hereafter in effect; or if any such petition or application is filed or any such proceedings are commenced, any of the aforesaid parties, by any act indicates its approval thereof, consent thereto or acquiescence therein, or an order is entered appointing any such trustee or receiver, or adjudicating any of the aforesaid parties bankrupt or insolvent, or approving the petition in any such proceedings; and such order remains in effect for more than sixty (60) days or such proceedings shall not be dismissed within ninety (90) days; and such order remains undischarged and unstayed for a period in excess of sixty (60) days.

7.4 In the event of a default by PBKA pursuant to Section 7.3 hereof occurring prior to the conveyance of any portion of the Premises to PBKA, the City may, by notice to PBKA, cancel and terminate this Agreement, and upon such cancellation, this Agreement shall be deemed terminated and of no further force and effect. In the event of such default by PBKA subsequent to the conveyance of the Premises to PBKA, the City may cancel and terminate this Agreement and in addition thereto as liquidated damages and not as a penalty, may cause PBKA to cause the reconveyance of all interest of PBKA in any portion of the Premises then owned by PBKA to the City.

7.5 With the exception of the remedies granted to PBKA in Article IV hereof, the remedies provided for in the event of default under Sections 7.2 and 7.4 hereof are deemed exclusive and each party hereto waives any and all other remedies available to it.

7.6 No failure to exercise, and no delay in exercising, on the part of either party hereto, any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power to privilege hereunder operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and not exclusive of any right or limitation provided by law.

Article VIII

Financing

8.1 The City agrees to cooperate with PBKA as necessary in the efforts of PBKA to obtain financing guaranteed by the Economic Development Administration of the United States Department of Commerce under the National Public Works and Economic Development Act or in efforts of PBKA to obtain any other legal means of financing.

Article IX

(b) PBKA will include the provisions of Subsection (a) of this Section 9.1 in every construction contract, and will require the inclusion of said provision in every subcontract entered into by any of its contractors, so that such provision will be binding upon each contractor or subcontractor, as the case may be.

(c) PBKA will not discriminate upon the basis of race, religion, color, sex or national origin in the sale, lease or rental or in the use or occupancy of the Premises or any improvement located thereon.

Section Six

Accidental Damage or Injury

Lessor and Lessee shall not be liable for any damage to property or any injury to persons, sustained by Sublessee, its agents, employes, licensees or invitees caused by conditions or activities on or arising out of Sublessee's use of the leased premises. Sublessee agrees to indemnify and hold harmless Lessor and Lessee from any and all loss (including but not limited to property damage, bodily injury, illness or death) resulting from Sublessee's use of the leased premises and agrees to defend any suit and to assume full responsibility for the expense of investigation and/or settlement of any claim or legal action. Sublessee's indemnification as herein expressed shall not apply to loss arising from the negligence of Lessee or other tenants.

Should Sublessee (either directly or by its insurer) fail to assume the obligation set forth in this agreement, the Lessee and Lessor at their option and after notice thereof may undertake such measures as are deemed necessary and appropriate with regard to any such claim or legal action, and all expense incurred therein will be reimbursed to Lessor or Lessee by Sublessee.

The Sublessee further agrees to provide the Lessee (as provided for under Section Twenty-Seven Notices) with an insurance certificate evidencing Public Liability Insurance with a $1,000,000 limit, general aircraft liability insurance and Workers' Compensation with Statutory Provisions. Such Certificate shall:

1. Provide Lessee with 30 days Notice of cancellation, material change, or non-renewal.
2. Name Lessee and Lessor as an additional insured and make specific reference to the indemnity agreement in Section Six.

Section Seven

Casualty Damage or Injury

If the premises shall be destroyed or damaged by any act of war, the elements, including earthquake, or fire, to such an extent as to render the premises untenantable in whole or in substantial part, Lessor has the option of rebuilding or repairing the premises by giving notice to that effect to Lessee within 30 days after the occurrence of any damage, of the intent of Lessor to rebuild or repair the premises or the part so damaged. If Lessor elects to rebuild or repair the premises and does so without unnecessary delay, Sublessee shall be bound by this lease except that during the period of repair, the rent of the premises shall be abated in the same proportion that the portion of the premises rendered unfit for occupancy by Sublessee shall bear to the whole of the subleased premises. If Lessor fails to give notice of the intent to repair, Sublessee shall have the right to declare this sublease terminated.

Section Eight

Compliance with Original Lease and Laws

Sublessee shall not cause or allow any undue waste on the premises and shall comply with all applicable laws and ordinances respecting the use and occupancy of the premises relating to matters not covered elsewhere in this sublease, provided that Sublessee shall not be required to make any alterations, additions, or improvements to the premises in order to conform with this sublease.

Sublessee shall perform and observe the terms and conditions to be performed on the part of the Lessee under the provisions of the original lease between Lessee and Lessor, a copy of which has been provided to the Sublessee, made a part hereof excepting the covenant for the payment of rent reserved thereby, and to indemnify Lessee against all claims, damages, costs, and expenses in respect to the nonperformance or nonobservance of any such terms or conditions. Sublessee also agrees to submit an Economic Disclosure Statement to Lessor.

Section Nine

Landing Records and Fees

Sublessee agrees that it shall keep and maintain records to all landings made at Chicago-Midway Airport, Chicago-O'Hare International Airport and Merrill C. Meigs Field, in form as approved by the Comptroller of the City of Chicago (Room 501, City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602) and shall remit directly to Comptroller, with itemized report of landings, copy of which shall go to the Commissioner of Aviation (Room 1111, City Hall), on or before the 15th day of the month following, payment for all such landings made during the preceding month, or portion thereof.

(Landing fees shall not be assessed for any landing of a ferry flight between Chicago-Midway Airport and the other City-owned Airports, or for any landing of an aircraft returning to the airport from which it took off because of meteorological conditions, mechanical or operating causes, or any similar emergency of precautionary reason.

(Since Chicago-O'Hare International Airport landing fee is subject to change every calendar half-year, the Commissioner shall advise Sublessee of the specific fee to be in effect at Chicago-O'Hare International Airport for each such period, at least fifteen (15) days in advance of such period.)

Section Ten

Repairs

Subject to the obligations of Lessor under Article V of the original lease, Lessee, unless herein specified to the contrary, as in Exhibit "B" hereto, shall maintain the premises in good repair and tenantable condition during the continuance of this sublease, except in case of damage arising from acts or negligence of Sublessee or the agents of Sublessee.

Section Eleven

Alterations, Additions, or Improvements

Sublessee shall not make any alterations, additions or improvements on or to the premises without first obtaining the written consent of Lessee and the Department of Aviation, City of Chicago, and all alterations, additions, and improvements that shall be made shall be at the sole expense of Sublessee and shall become the property of Lessee and shall remain on and be surrendered with the premises as a part thereof at the termination of this sublease without disturbance, molestation, or injury. Nothing contained in this provision shall prevent Sublessee from removing all office machines, equipment, and trade fixtures customarily used in the business of Sublessee.

Section Twelve

Liens

Sublessee shall keep the subleased premises free and clear of all liens arising out of any work performed, materials furnished, or obligations incurred by Sublessee.

Section Fourteen

Advertisements

All signs or symbols placed in the windows or doors of the premises, or on any exterior part of the building by Sublessee, shall be subject to the approval of Lessee. If Sublessee shall place signs or symbols on the exterior of the building or in the windows or doors where they are visible from the street that are not satisfactory to Lessee, Lessee may immediately demand the removal of the signs or symbols, and the refusal by Sublessee to comply with any demand within a period of 24 hours will constitute a breach of this sublease and entitle Lessee immediately to recover possession of the premises in the manner provided by law. Any signs so placed on the premises shall be so placed on the understanding and agreement that Sublessee shall remove these signs or symbols at the termination of the tenancy herein created and repair any damage or injury to the premises caused thereby. If not so removed by Sublessee, then Lessee may have the signs or symbols removed at the expense of Sublessee.

Section Fifteen

Sales, Assignments, and Subleases

Sublessee shall not assign this sublease, or sell or sublet the premises subleased herein, or any part thereof or interest therein, without the prior written consent of Lessee. This sublease shall not be assigned by operation of law. If consent is once given by Lessee to the assignment of this sublease or sublease of the premises or any interest therein, Lessee shall not be barred from subsequently refusing to consent to any further assignment or sublease. Any attempt to sell, assign, or sublet without the consent of Lessee, shall be deemed as a default by Sublessee, entitling Lessee to re-enter pursuant to Section Nineteen if Lessee so elects.

Section Sixteen

Quiet Enjoyment

If Sublessee performs the terms of this sublease, Lessee will warrant and defend Sublessee in the enjoyment and peaceful possession of the premises during the term hereof without any interruption by Lessee or Lessor or either of them or any person rightfully claiming under either of them.

Section Seventeen

Wherever this Sublease Agreement provides for consent of Lessee the consent of the Lessor, City of Chicago, shall also be required.

Section Eighteen

Automatic Renewal

Subject only to Lessee's obtaining from the Lessor an extension of its current lease of the premises, Sublessee shall be granted an automatic renewal and extension of this sublease for an additional five-year period upon the same terms as provided herein.

Section Nineteen

If Lessor or Lessee fails or neglects to perform the sublease or the provisions of the original lease between them, then Sublessee may, after reasonable notice in writing of not less than 90 days, terminate this sublease.

Section Twenty

Default of Sublessee

If any rents reserved, or any part thereof, shall be and remain unpaid when these rents shall become due, or if Sublessee violates or defaults in any of the provisions of this sublease, then Lessee may cancel this sublease by giving the notice required herein, and re-enter the premises. Notwithstanding any re-entry, the liability of Sublessee for the rent shall not be extinguished for the balance of the term hereof, and Sublessee shall make good to Lessee any deficiency arising from a re-entry and reletting of the premises at a reduced rental. Sublessee shall pay any deficiency on the first day of each month immediately following the month in which the amount of deficiency is ascertained by Lessee.

Notwithstanding any of the foregoing, either party to this sublease shall be permitted, with or without cause, to terminate this sublease on 180 days notice to the other party.

If Sublessee shall surrender the premises at the election of Sublessee and before the 180-day notice period has run, the liability for all duties and obligations required of Sublessee shall continue for the remainder of the 180-day period or until the surrender has been accepted by Lessee in writing.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Trans World Airlines, Inc. and O'Hare Taxi Service, Inc., for the sublease of certain premises at Chicago-O'Hare International, said sublease to be in the following form:

This Agreement made this 15th day of May, 1979, by and between Trans World Airlines, Inc. ("TWA"), a corporation organized and existing under the laws of the State of Delaware, having an office and place of business at 605 Third Avenue, New York, New York 10016, and O'Hare Air Taxi Service ("O'Hare"), a corporation organized and existing under the laws of the State of Illinois, having its principal office in Chicago, Illinois.

WITNESSETH:

Whereas, TWA leases certain premises, including improvemeints thereon, at O'Hare International Airport, Chicago, Illinois ("ORD") from the City of Chicago ("Main Lessor") under an agreement dated March 27, 1964, as amended by an agreement dated August 24, 1970, copies of which agreements are identified as Exhibit B attached hereto and made a part hereof (collectively known as the "Main Lease"); and

Whereas, O'Hare desires to sublease from TWA, and TWA is willing to sublease to O'Hare, a portion of said premises and provide services related thereto to O'Hare subject to the terms and conditions of this sublease agreement ("Sublease");

Now, Therefore, for and in consideration of the mutual convenants hereinafter contained, TWA and O'Hare hereby agree as follows:

1. *Subleased Premises*

TWA subleases to O'Hare for its exclusive use approximately four hundred eighty (480) square feet of cargo terminal space in the TWA Cargo Building, as identified in Exhibit A attached hereto and made a part hereof ("Subleased Premises").

2. *Term of Sublease and Surrender of Premises*

(a) This Sublease shall commence on May 15, 1979 for a term of one year, and shall continue in effect from month to month thereafter until terminated by either party giving to the other not less than thirty (30) days prior written notice. If the Main Lease is terminated for any reason, this Sublease shall automatically terminate concurrently therewith.

(b) O'Hare shall promptly surrender and vacate the Subleased Premises upon the termination of this Sublease. Personal property of O'Hare left in or about the Subleased Premises upon the termination of this Sublease shall be deemed abandoned and TWA shall have the right to use or dispose of such property as it sees fit.

3. *Subordination to Main Lease*

(a) This Sublease is in all respects subject and subordinate to the provisions of the Main Lease. All references herein to the Main Lease shall be deemed to include any and all modifications and amendments thereto of which O'Hare has knowledge.

(b) Notwithstanding anything to the contrary contained herein, whether express or implied, it is understood and agreed that TWA is not granting or purporting to grant, and that O'Hare is not receiving and does not claim to have or hold, any estate, right, privilege or interest in or to the Subleased Premises except such as is permitted or authorized under the terms of the Main Lease.

(c) With respect to the Subleased Premises and this Sublease, and except where clearly repugnant or inapplicable to the context of the Main Lease, (i) O'Hare shall observe and be bound by, and shall assume and perform all the obligations of TWA under all the provisions of the Main Lease, and (ii) TWA shall have the same rights, privileges and remedies as the Main Lessor under the Main Lease. Wherever in the Main Lease the consent or approval of the Main Lessor is required as to any action desired to be taken by O'Hare, the consent or approval of TWA shall also be required. O'Hare shall not do or suffer to be done on or in connection with the Subleased Premises any act or thing which would contravene the terms of the Main Lease. In the event of any conflict between the terms of this Sublease and the terms of the Main Lease, the terms of the latter shall govern.

4. *Rental and Payments*

(a) O'Hare agrees to pay TWA Three Hundred Sixty and no/100 ($360.00) * each month in advance on the first day of each calendar month during the term of this Sublease. Payments for a partial month that may occur at the commencement or termination of the Sublease shall be prorated on the basis of the number of days in that month during which this Sublease is in effect versus the number of days in that entire month.

(b) Payments shall be made by O'Hare without demand by or receipt of an invoice from TWA. Any rental payable by O'Hare hereunder which is not paid when due shall bear interest at the rate of 9% per annum from the due date thereof until paid. However, the inclusion in this Sublease of a requirement for payment of interest or unpaid rental shall not prohibit TWA from exercising any and all other remedies that are available in the event rental due from O'Hare is not paid.

5. *Use of Subleased Premises*

(a) O'Hare agrees that its use of the Subleased Premises shall be for the purpose of receiving, storing, sorting, and delivering parcels and other freight, and loading and parking vehicles and other equipment used by O'Hare in conducting its business operations, and for no other purpose whatsoever.

(b) TWA agrees that O'Hare shall have the non-exclusive use of an outside area sixty (60) feet deep directly in front of dock door Twenty-Four (24), to be used for the purpose of parking, loading and unloading vehicles.

(c) TWA acknowledges that O'Hare at all times requires appropriate means of access to the Subleased Premises from public highways. TWA's General Manager-Cargo Sales and Services at ORD shall designate the ingress/egress route that O'Hare, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers may use to move to and from the Subleased Premises. TWA may change said route upon 15 days notice in advance to O'Hare local manager. It is agreed, however, that TWA shall not select an ingress/egress route that will impose undue restraints on O'Hare's normal operations. However, TWA shall have the right to insure that O'Hare operations do not interfere with TWA's normal operations.

(d) O'Hare, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers, shall be bound by and observe all rules and regulations promulgated under the Main Lease or made by TWA's General Manager-Cargo Sales and Services at ORD governing the use and occupancy of the Subleased Premises (including but not limited to, action to conserve heat and electricity and control of passenger and vehicular traffic ingress/egress), provided, however, that no such rule or regulation shall conflict with any matter specifically set forth in this Sublease.

6. *Condition and Repair of Subleased Premises*

(a) TWA agrees to repair the overhead door to Dock 24 at or before the commencement date of this Sublease. Thereafter, O'Hare shall be responsible for all future repairs to said door. Except for said repair, O'Hare agrees to accept the Subleased Premises in an "as is" condition and to keep and maintain the leased space in good condition.

(b) O'Hare shall, at its own cost and expense, purchase and install any desired telephones, and shall repaint painted walls as required. O'Hare shall bear the sole expense of any alterations, additions, or improvements and of any future repairs to the Subleased Premises during the duration of the Sublease. O'Hare shall not make any alterations, additions or improvements to the Subleased Premises without prior written consent of TWA in each instance. TWA makes no representation that the presently existing facilities comply with the Occupational Safety and Health Act.

(c) O'Hare agrees that it shall erect a storage cage within the Subleased Premises which shall in all respects conform to TWA's security restrictions.

(d) O'Hare further agrees that upon expiration or termination of this Sublease, O'Hare shall, at its expense, restore the Subleased Premises to the condition in which they were received by O'Hare, reasonable wear and tear and loss by fire excepted, unless TWA shall agree in writing to waive restoration in whole or in part.

7. *Utilities and Services at Subleased Premises*

(a) TWA shall furnish heat, light and electricity, from and to the extent capable, using facilities and fixtures presently installed in the Subleased Premises. In the event O'Hare should require further or additional utilities, facilities or fixtures, the costs of obtaining, installing, and maintaining the same shall be solely borne by O'Hare. O'Hare shall provide at its sole cost and expense all other utilities and building services required in connection with the use and occupancy of the subleased space. O'Hare shall provide its own trash receptacle, shall station said receptacle at a location to be designated by TWA, and shall bear all costs pertaining to trash removal unless otherwise agreed upon by TWA and O'Hare. O'Hare shall obtain at its sole cost and expense usual janitorial services to maintain the Subleased Premises in a clean, neat, orderly and presentable appearance.

(b) The costs of installation and the use of any and all communications equipment shall be borne by O'Hare, and O'Hare shall be solely responsible for complying with any and all relevant regulations of the Federal Aviation Administration, the Federal Communications Commission and any other relevant governmental authority concerning the installation and use of such communications equipment.

8. *Liability, Indemnification and Insurance*

(a) TWA shall not be liable to O'Hare or any other person or entity for or on account of any injury or damage of any kind whatsoever to persons or property occasioned in or about the Subleased Premises, or resulting from any patent or latent defect, structural or otherwise, in the construction, condition or present or future lack of repair on the Subleased Premises or of the building, the wiring, equipment or apparatus therein or thereof, the plumbing, gas, water, steam or other

pipes or sewage or of any equipment therein or apparatus thereof, or by or from any act, omission, or neglect of any other occupant of the building.

(b) O'Hare shall assume full responsibility for any act or omission in or about the Subleased Premises. O'Hare shall defend, indemnify and hold harmless TWA, the Main Lessor, and its or their employees and agents from and against any and all losses, claims, suits, damages, costs, expenses and liabilities attributable to any act or omission of O'Hare, its officers, employees, agents, customers, contractors. subcontractors, licenses, invitees, assignees, sublessees, and suppliers arising out of or in the use or occupancy of the Subleased Premises.

(c) O'Hare agrees that it shall defend, indemnify and hold harmless TWA and the Main Lessor from and against any taxes, assessments, liens of any kind, surcharges, etc., levied by any governmental agency or through any procedure of law in connection with the occupancy and use of the Subleased Premises by O'Hare or with its business operations or equipment in the premises.

(d) O'Hare further agrees that it shall furnish TWA and the Main Lessor with evidence of insurance of the type and in such amounts as may be requested by TWA and the Main Lessor, but in no event shall such insurance exceed that required of TWA under the Main Lease. Copies of such certificates shall be sent to Director-Insurance, Trans World Airlines, Inc., Administrative Center, Kansas City, Missouri 64153.

9. *Notices*

(a) All notices to TWA hereunder shall be in writing and sent by certified mail, return receipt requested, postage prepaid, addressed to Secretary, TWA, 605 Third Avenue, New York, New York 10016, with a duplicate copy similarly mailed addressed to General Manager—Cargo Sales and Services, TWA, O'Hare International Airport, P.O. Box 66074, Chicago, Illinois 60666, or to such other address as TWA may designate from time to time.

(b) All notices to O'Hare hereunder shall be in writing and sent by certified mail, postage prepaid, addressed to Mr. George Lain, O'Hare Air Taxi Service, P.O. Box 66371, Chicago, Illinois 60666, or to such other address as O'Hare may designate from time to time by notice in writing to TWA.

(c) All notices mailed in accordance with the above shall be deemed given 5 days after mailing.

10. *Miscellaneous*

(a) No waiver of, or election by TWA to disregard, a default on the part of O'Hare shall act to prohibit TWA from exercising its rights under this Sublease in the event of subsequent or continuing defaults by O'Hare. No termination of this Sublease shall affect any rights or obligations accrued as of the date of such termination.

(b) O'Hare shall not assign this Sublease and its rights hereunder, in whole or in part, or sublease, or permit others to use, in whole or in part, the Subleased Premises without the prior written consent in each instance of TWA and the Main Lessor.

(c) Notwithstanding anything to the contrary herein contained, it is expressly agreed that TWA shall be released from its obligations hereunder in the event and to the extent that performance is delayed or prevented by any cause reasonably beyond its control, including, without limitation, acts of God, public enemies, wars, insurrection, or acts or orders of governmental authorities, or by fire, flood, explosion, riots, or strikes; provided however, that nothing contained shall require TWA to accede to demands of labor unions or to demands of its employees which it considers unreasonable.

(d) This Sublease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

(e) This Sublease is subject to the approval of the Main Lessor. If the Main Lessor should refuse to give its approval, the provisions of the Sublease shall terminate and from and after the date of termination no further liabilities will accrue between the parties, except that such termination shall not affect liabilities accrued prior to the date of termination.

In Witness Whereof, the parties hereto have caused this Sublease to be duly executed as of the day and year first above written.

This action shall be effective on the first day of a pay period and shall not precede the receipt of the Personnel Action Report (PER 14) at the Department of Personnel.

4. *Starting Rate of Reclassification of Position.*

In the event that a position is reclassified from one class of positions to another class of positions in the same class grade, except in Schedule E and M, the incumbent of such position when appointed to the new position by proper authority shall retain the salary he received in the former position.

In the event that an employee is appointed from a position paid on a prevailing rate basis to another position classified and paid under the Compensation Plan, such employee shall be given credit for the time served in the former position in determining the salary rate, provided that the duties performed in the new position shall be in the same line and character of work as the duties performed in the former position; further, that any increase in salary shall not exceed 5%, and provided further that the employee shall in no case receive less than the minimum rate of the salary range of the new positions.
